2. Which part of the Programme did you find most useful and why	<p>1. Every part of the programmes was useful.</p> <p>2. So I got lot of information and refreshed.</p> <p>3. <i>Session 3: Elements of Judicial Behaviour: Ethics, Neutrality and Professionalism.</i></p> <p>4. Electronic evidence gathering and how it is being used. Because we are also facing many cyber related crimes here in Maldives.</p> <p>5. None.</p> <p>6. Lecture part. All sessions of last day because I get new information about DNA.</p> <p>9. Judgment writing, it's more related to judge's work more than anything else.</p>
<p>3. Does the programme need further modulations or change</p>	<p>1. The programme need further modulations but no need to change.</p> <p>2. Most of the modules were covered. <p>4. Kindly make any suggestions you may have on how NJA may serve you better and make its programmes more effective</p>	<p>1. The programme will make face to face more effective.</p> <p>2. I think it will be better and more effective if you physically come to the Maldives and present the informative lectures to us. And it will be more enjoyable. Another thing is that we always go India. So, when we were in India, if you provide a chance to visit Indian courts, it will be a great experience for us. I hope that I could get a contact number from you, and it helps me to contact when I go to India. Thank you.</p> <p>3. Programme is very effective and very useful.</p> <p>4. NJA's training programme was very interesting although it was done online. As soon as the situation allows, we would like to have training programme face to face. Thank you very much.</p> <p>5.
