| | | 93. *Session 3: Developments in Criminal Law: Issues and Challenges.* |
| | | 94. Reverse burden of proof as it was very illuminative. |
| 3. | Does the programme need further modulations or change | 3. Satisfactory. |
| | | 4. On every subject discussed which may be discussed more elaborately. |
| | | 11. Materials be forwarded well in advance for participants to get acquainted. |
| | | 12. It could be a little workshop oriented. |
| | | 16. The entire programme structure was good & informative. |
| | | 21. It is already good. However, more time may be allotted for appreciation of digital evidence and interactive sessions. |
| | | 24. More time period could have been allotted on information technology Act. Resource person who are expert in the field could have been involved. |
| | | 25. Addition of lecture by way of mathematical module. |
| | | 27. Era & down of *Session 1: Contemporary Trends in Constitutional Law: Recent Judicial Developments-* to smaller/ separate sessions for more intensive discussion. |
| | | 49. Found fruitful this way. |
| | | 52. May be add more contemporary fields of law. |
| | | 55. Use of electronic evidence, admission and proof still remains a side of evidence which has to be better understood and thus a detailed & discussion of this aspect may be helpful. |
| | | 56. We need changes in discussion and deliberation of e-court topic in more lucid manner. |
| | | 64. Digitization of courts in the level of district judiciary. |
| | | 65. The programme was more than satisfactory and was very useful. |
| | | 66. Adding another day might be helpful in allowing more time for detail discussion. |
| | | 67. It needed more time to comprehensively understand subjects/topics. |
| | | 68. A discussion on information technology Act. with concerned provisions of evidence Act. relating to admissibility of proof of e-evidences. |

| | | |
|---|---|---|
| | | 69. Definitely need further modulation. |
| | | 73. E-court matter may be squeezed into one session and another practical topic included. |
| | | 77. Yes, more visual, such as demonstration and illustration. |
| | | 87. We can also have a training programme on the implementation of technology while deciding & disposing cases. |
| | | 91. *Session 4: Overview of E-courts Project.* *Session 5: Emerging and Future Technology for Effective Judicial Governance.* – Programme required more detailed session. |
| | | 92. Time limit was less topics of such vast nature. |
| | | 94. *Session 5: Emerging and Future Technology for Effective Judicial Governance.* – should be a full day programme. |
| 4. | Kindly make any suggestions you may have on how NJA may serve you better and make its programmes more effective | 1. More interaction session can be introduced. |
| | | 3. Frequent programme required to update and train Judge. |
| | | 6. Need more brain storming sessions. |
| | | 9. Arranging training on civil matter. |
| | | 12. The arrangements were extremely good. The deliberations and study materials were very good and enlightening. |
| | | 14. Programme was very useful and effective however more Power Point presentations can be included. |
| | | 15. Holding of regional conferences in other parts of North East. |
| | | 16. Time allotted to sessions may be increased to be more elaborate on topic. |
| | | 19. Sessions may include more slide and video presentation. |
| | | 20. NJA may make arrangement for sharing of study materials, slides etc. used by resource persons during sessions. |
| | | 21. Reading material may kindly be provided. |
| | | 22. By organizing such programme once in every quarter. |
| | | 24. More programmes may be organized on day to day court work issue. And more programmes on IT Act can be organized. |
| | | 28. Conducting Zonal conference of this kind will greatly serve the judiciary from this region. |
| | | 29. Perhaps sessions can be on a single subject and not include too many varied topics in a single conference/ programme. |
| | | 30. The topic and arrangement was very good. |
| | | 31. Similar conference may be held involving larger group of judicial officers. |
| | | 32. Since e-court projects are not implemented in district courts of Arunachal due to connectivity issue and others, it is requested to give revised training once the projects starts. |
